Commissioner for Patents

In consideration of the IDS filed 7/20/09 (after the NOA), and the response from the PTO mailed on 8/5/09, and the call made to the examiner on 8/18/09; the examiner states for the record that the references listed on the subject IDS have been considered prior to the NOA as they were available to the examiner by the documents filed 1/4/06, specifically the International Search Report to related PCT/DK2004/000472. By signing the subject IDS the examiner only acknowledges their consideration during prosecution and does not consider the IDS to fall under the 37 CFR 1.97(e) notation of the Notice of Non-Compliant IDS mailed by the PTO on 8/5/09.
